**Example:** Order an XLT 301A with the 86B XLT Chrome Appearance Package for a total combined savings of \$1,750 MSRP (\$750 + \$1,000). Should this truck also have a 3.0L PowerStroke® Diesel (991), total discount would be \$2,250 MSRP (\$1,750 + \$500).

Eligible vehicles receive a complimentary 3-year trial of navigation services that begins on the new vehicle warranty start date. Customers must unlock the navigation service trial by activating the eligible vehicle with a FordPass member account. If not subscribed by the end of the complimentary period, the connected navigation service will terminate, and the system will revert to embedded offline navigation.

Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features.

FordPass App, compatible with select smartphone platforms, is available via a download. Message and data rates may apply.
