³ Navigation services require SYNC®4 and FordPass™ Connect (optional on select vehicles), complimentary connect service and the FordPass™ app (see FordPass™ Terms for details). Eligible vehicles receive a complimentary 90-day trial of navigation services that begins on the new vehicle warranty start date. Customers must unlock the navigation service trial by activating the eligible vehicle with a FordPass™ member account. If not subscribed by the end of the complimentary period, the navigation service will terminate.

Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features.

FordPass™ App, compatible with select smartphone platforms, is available via a download. Message and data rates may apply.

³ Navigation services require SYNC®4 and FordPass Connect (optional on select vehicles), complimentary connect service and the FordPass app (see FordPass Terms for details). Eligible vehicles receive a complimentary 90-day trial of navigation services that begins on the new vehicle warranty start date. Customers must unlock the navigation service trial by activating the eligible vehicle with a FordPass member account. If not subscribed by the end of the complimentary period, the navigation service will terminate.

Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features.

FordPass App, compatible with select smartphone platforms, is available via a download. Message and data rates may apply.

¹ Navigation services require SYNC®4 and FordPass™ Connect (optional on select vehicles), complimentary connect service and the FordPass™ app (see FordPass Terms for details). Eligible vehicles receive a complimentary 3-year trial of navigation services that begins on the new vehicle warranty start date. Customers must unlock the navigation service trial by activating the eligible vehicle with a FordPass™ member account. If not subscribed by the end of the complimentary period, the connected navigation service will terminate, and the system will revert to embedded offline navigation.

Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features.

FordPass™ App, compatible with select smartphone platforms, is available via a download. Message and data rates may apply.

³ *Note: Includes a three (3)-month prepaid subscription. Service is not available in Alaska and Hawaii

Trial length and service availability may vary by model, model year or trim. Details: SiriusXM audio and data services each require a subscription sold separately, or as a package, by Sirius XM Radio Inc. Your SiriusXM service will automatically stop at the end of your trial unless you decide to subscribe. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Current information and features may not be available in all locations, or on all receivers.

Satellite and streaming lineups vary slightly.

⁴ Navigation services require SYNC®4 and FordPass™ Connect (optional on select vehicles), complimentary connect service and the FordPass™ app (see FordPass™ Terms for details). Eligible vehicles receive a complimentary 90-day trial of navigation services that begins on the new vehicle warranty start date. Customers must unlock the navigation service trial by activating the eligible vehicle with a FordPass™ member account. If not subscribed by the end of the complimentary period, the navigation service will terminate.

Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features.

FordPass™ App, compatible with select smartphone platforms, is available via a download. Message and data rates may apply.
